Kids, especially, love this event. It also gives adults a chance to enjoy themselves and spend time with their loved ones.

It’s very affordable, and all the money it raises goes towards

kids in the elementary school for supplies and new equipment.

There are all kinds of fun activities such as bingo, cake walk, ring toss, jail and bail, and there will also be an auction on pallets and other stuff.

They say that the fall festival has been an event that has been around for over the last twenty years, and we hope it continues to be celebrated for a long time to come.

Vocal Music is Back

By Staff

The vocal music department is in it’s third year of existence since it’s re-emergence at HHS.

It’s one of the three fine arts course offerings taught by Mr. Smith.

Students in this class prepare all fall for the Christmas program performed right before Christmas Break.

During the Spring, the vocalists prepare for their Spring concert and for some state competitions.

By Brianna Christian

Beta Club is a community- service-based organization at HHS. It’s sponsor is Mr. William Hale. Healdton has had a Beta Club off and on for quite a while.

This is Mr. Hale’s second year to be a sponsor of Beta Club. When asked what Beta Club is, his response was, “Like so many high school organizations, we are first and foremost a community service organization that focuses on teaching students

how to be the leaders of tomorrow.”

The way to get into Beta Club is to make sure your grade point is applicable- a 2.5 or bet-

Most of the residents loved telling military stories and showing their old pictures to the kids.	A special presentation of Healdton attire was made to Mr. Zeke Collins, a former HHS employee. He is 100 years old and was thrilled with the gifts the students gave him.
The FCCLA members and Mrs. Worsham raised \$800 in donations and gave the veterans 50 lap blankets and 145 goodie bags.	Good job FCCLA! Keep up the good work.
