September 24, 2020

On the afternoon of September 24, 2020, an official from the Wagoner County Health Department notified Okay High School of a possible COVID-19 contact which may have occurred on Friday, September 18, 2020 during a volleyball game as part of a volleyball tournament. The health department official indicated that a player on an opposing team has tested positive for COVID-19.

This type of contact is not necessarily a contact for which people have to be quarantined. However, out of an abundance of caution, and in order to be transparent with the goal of preserving the health and safety of everyone involved, we have created this statement to pass along information quickly and effectively.

The students, faculty, and staff who were directly involved with this event have been notified.

Furthermore, tonight's junior high and junior varsity volleyball games have been canceled.

Should you have any questions or concerns, please do not hesitate to contact the high school office at 918-682-0371.

Sincerely,

Okay Public Schools
