Eden High School 2020 Varsity Football Season Information

As per UIL guidance requiring school districts to keep participants and fans separate, a significant change to our home games will be that no fans are allowed on the field following a game. Football players, cheerleaders, and band students will leave the field at the conclusion of the game.

Also, no pep rallies will be held in the EHS gym this year. We may have outdoor send-offs once safety and distancing guidelines can be created.

As of August 1, the following numbers will be allowed in the stands. These numbers may be adjusted at any time according to UIL guidance and public health information.

Home Side – 250

Visitor Side – 100

Ticket Sales for Home Games: All tickets cost the same for adult & student admission - \$3

All fans ages 2 years and up must have a ticket to enter the gates. Tickets will be sold through Eventbrite website or app (search for the Eden CISD organization to find our games).

Monday – Ticket sales offered to student participant parents/families (Band, Cheerleader, Football) and employees of Eden CISD (limit 4)

Tuesday through Thursday – All fans, limit 4 tickets

Friday – No tickets will be sold on Friday or at the gate

All stadium visitors must wear a mask within the stadium unless exempt according to Executive Order GA-29. Exceptions include:

- Any person with a medical condition or disability that prevents wearing a face covering
- While a person is consuming food or drink
- At least 6 feet of social distancing from anyone not in your household
- Any other reason or circumstance indicated under Executive Order GA-29

Eden CISD is exploring live streaming options for our home games on social media platforms for those who would like to enjoy the game from their home.

Parking along the fences facing the football field on the west side and north end zone of the field is **reserved** for at-risk fans who want to remain in their vehicle to watch the game.

This guidance is for home games only. Away game requirements will be released by the visiting school district and shared on our social media pages. Other districts may have different restrictions or limitations.
