

Ten Little Bunnies

I was in my neighbor's yard
It was a sunny day.
Suddenly I saw some bunnies
Coming out to play.

Chorus:

There were 10 little bunnies
9 little bunnies, 8 little bunnies,
7 little bunnies, 6 little bunnies,
5 little bunnies, *clap*
4, 3, 2, 1!

I was in my neighbor's yard
My neighbor said to me.
Do you see those bunnies there
They're hopping merrily.

Chorus (2x)
