

2019 ECP Excellence in Education Award

The Elmore City – Pernell Foundation for Excellence is a non-profit organization that has provided local funding for classroom grants, student scholarships and campus projects since 2001. Beginning in 2015, local donors created a recognition project to recognize our exceptional teachers.

Parents, guardians and grandparents are invited to nominate a teacher who has made a positive and measurable impact on the success of a student during this school year. A scholarship committee will review all nominations. A winning teacher will be selected from each of the three campuses. The three teachers will each receive a \$500 scholarship award.

Many teachers contribute extra time and effort while assisting our students achieve full potential. The ECP Foundation for Excellence and the donors who make this award possible want to recognize teachers who go the extra distance in providing local students with mentorship, guidance, special opportunities, and valuable educational experiences.

If you are a parent, grandparent, or guardian of an ECP student and would like to nominate a teacher, please email the name of the teacher and a statement explaining why he or she is being nominated to foundation.badgers@gmail.com or mail your nominations to the address below prior to May 14, 2019.

Please join us in celebrating Excellence in Education!
