Dear Stakeholders,

The following pages are the Leedey Public Schools Profile Report for the 2016-2017 school year. They provide to you as parents and guardians information regarding how Leedey Public Schools did as a school, compared to schools similar to Leedey, and compared to the entire state. Any questions regarding the information in the report cards can be answered by calling Mr. Puffinbarger or Mr. Danielson at 580-488-3377. The administration and faculty of Leedey School is striving to incorporate the latest in scientific research, staff development, and best educational practices to provide all of our students with the best education possible. Our world is ever-changing and becoming more complex every day, and we want our students to be ready to face any challenge that comes their way after graduation. As an administration and faculty, we appreciate the support we receive from the parents of this community and look forward to working together with you to help your child succeed.

Sincerely,
