Mission

In partnership with teachers, parents, and community, the Pine Bluff School District will provide quality educational opportunities that enable all students to reach their maximum potential.

Vision

The Pine Bluff School District, community, and parents ensure that our children are aware of their social responsibility and become productive adults who are capable of functioning with integrity and relevance in the home, workplace, and community.

Core Values

- ♦ Students, faculty, staff, and parents must commit to personal excellence.
- ♦ Community involvement is vital to our success.
- ♦ Integrity is a building block for healthy relationships.
- ♦ Academic success occurs best in a safe and caring environment.
- ♦ Collaboration and communication are key components of an effective partnership.
- ♦ Mutual Respect for all stakeholders is a valuable part of the school-community relationship.

Goals

1. All students will attain proficiency in the core content areas.
2. All students will graduate from high school prepared for post-secondary and career options.
3. Ensure all staff and student safety.
4. Improve the growth and development of the workforce.
5. Improve communication throughout the district.
6. All schools, as well as the district, will meet or exceed state/federal accountability standards.
