

## **LADY TIMBERWOLF CORE COVENANTS**

**1) Integrity** – Foundation of Character displayed in small daily decisions. Do what is right regardless of the consequences or the cost. Your word is gold and you take responsibility for all your choices and actions. Never compromise or waiver from your values as your choices and actions reflect who we are.

**2) Pride** – We will have TEAM Pride. Not cockiness but True Pride. This type of Pride motivates everyone to do their very best because they want to be their best. Not for themselves but for their teammates, because they can't stand the idea of letting their teammates down. This type of pride is based on Unselfishness, Accountability, Work Habits, & Humility

**3) Attitude of Confidence** – A choice you make to have and show positive beliefs and actions. An attitude of relaxed aggressiveness, being comfortable in every situation that we face because we know we have consistently prepared ourselves through our daily work habits. Let our actions speak for our ability and do not be afraid of failure. A belief and feeling that we are prepared to perform well and reach our potential because of our preparation.

**4) Teamwork** – Intentionally put the needs of the team ahead of your own. Understand everyone has different roles, but everyone's role is equal and needed to make the team stronger. Place the team first in all decisions. All decisions should be based on: 1) What does the team need from me? & 2) What can I do for the Team? Embrace your role and perform it to the best of your ability while working with your teammates and supporting their roles.
