

Board of Education Notes
November 12, 2018

Recognition: The Board honored Tiffany Chan, Andover High School sophomore, who won the 5A State Girls Golf Championship.

Bond update: The Board heard an update from the bond construction team. Meetings have begun to finalize plans for the new Meadowlark Elementary School. More than \$2 million in value engineering savings have been identified for the new AHS. Demolition and site work has begun at AHS. Work is progressing at Andover Central High School.

Calendar: The Board discussed a recommended calendar for the 2019-20 school year. It will be brought back in December for consideration.

Capital outlay plan: The Board approved a [capital outlay plan](#) for the 2018-19 year.

Security cameras: The Board approved \$318,561 for the first phase of a multiyear plan to upgrade security cameras and software.

Athletics work: The Board approved a Guaranteed Maximum Price for a portion of bond-related athletics work, including the grading and construction of throwing and jumping events for District Stadium and AMS not to exceed \$200,000.
