

As part of our learning, students will be using Google Apps for education.

Google Apps will enhance the student's ability to access, collaborate and share what they have been learning in school. Google Apps for Education includes:

- **Google Drive:** An online word document, spreadsheet, and presentation application. Students will be able to work on projects at school and at home. Students will also be able to collaborate on projects from their own home.
- **Google Calendar:** An online tool that can be used to create or share important dates or events.
- **Google Sites:** A website design tool used for student projects and ePortfolios.
- **Gmail:** (For 3rd-12th grade only) An email address that can only be used to send and receive email for specific teacher directed projects. If you have any questions, please feel free to contact me.

If you have questions, please contact the District Office at 316-218-4660.
