1. Cold/Flu Season tips – Shauna Hanna

It's about time for Flu Season!

Flu- body aches and fever

 Lasts a couple of days to weeks

 Can lead to more serious illnesses

How can we prevent it? GET A FLU SHOT

 Effective Hand washing

 Sneeze/Cough into your sleeve

 No nail biting

 Don't touch eyes

 Wipe everything with wipes

2. Communication Hot Topics – Nicole Gibbs

Director or Communications-

Audit: met with focus groups (students, parents, community, etc) asked opinions of what Andover is doing well and what could be improved. One of the Topics included social media-

What do most parents use? Twitter? Facebook?

District Website will soon be Revamped- The hope is to bring everyone back to the website with organized information to help keep communication clear.

The question was asked-What would you prefer when it comes to communication?

Feedback=

Like the power school email updates

Texts would be ok for little reminders

Phone Calls- Snow days, School lock down, Emergencies, etc only

3. Break KITE Day – Mr. Flory

KITE-program that is used in the spring to do state testing.

State wide everyone got on the site and did some activities to ensure the site could handle the volume. Some classes did the test on ipads, some on chrome book, and some in the computer labs. There were issues that were fixed when computers were restarted but all glitches were documented and relayed to District Office who is in contact with the State. Hopefully the little things will be worked out before state testing in the spring.

Next Meeting: Dec. 1st
