Nadia Pappademos, parent

Darrel Stinson, parent

Simon Armbrister, student

Amanda DuFrain, teacher

Will Baker, student

Riley Schuster, student

Emberlin Lewis, student

Hannah Pappademos, student

Karson Stinson, student

1. Introductions

-Welcome to Site Council!! Thank you for your willingness to serve! We appreciate you being here and look forward to a great year!

2. Review rotation cycle: 2 yr rotation

3. Review enrollment data: Mr. Armbrister

Enrollment down 15 overall but not in sections. Scheduling is challenging when it comes to fitting in all required areas.

4. Review School Improvement Plan: Miss DuFrain

Building Goals:

Student Achievement

*Goal: Increase student integration of technology

*Evidence of Success: Increased student of integration based on walkthrough data.

Student and Educator

*Goal: Increased student higher-level questioning

*Evidence of Success: Increased higher-level questioning based on walkthrough data.

New assessments this year: STAR Reading and STAR Math

5. Food Service overview presentation: Mr. Neil Broderick, Director of Food Service

*Smart Snacks- There are now regulations on snacks that are sold to students across the district.

Snacks have to be healthier-whole grains, nuts/seeds, popcorn, baked chips, fruit cups, plain water, etc.

*Fundraisers and Selling items- Foods still have to meet health requirements. Mr. Broderick will be a good resource with addressing which items would be good to sell. PTO should contact him with any questions or if they just need to find items that would fit.

*2 exempt fundraisers- like if you wanted to sell cookies, nachos, etc.

*The overall goal is to make food healthier for students!! The feedback from the students last year has helped determine the menu for this year.

* New signs have been posted encouraging students to eat what they take when it comes to the fruit and veggie bar.

*Juice is not a substitute for milk. They do not have to take the milk but they cannot take a juice in replace of the milk due to the sugars. (Juice can be purchased ala cart)

Next Meeting: October 6th - Can't wait to see you!! 😊
