★ TAG: YOU ARE A STAR! ★

Let's get to know each other! After receiving a "tag" from Mrs. Henry, you will colorfully decorate it to be displayed in the classroom. On the tag, I want to see your face—either a photograph or a detailed drawing of yourself. 😊 On both sides of the tag, fill in information about each category listed:

- your name (clearly written in large letters);
- your birthdate (month, day, and year);
- your family (parents/guardians, siblings, pets, etc.);
- and two different things that are important to you (hobbies, sports, activities, values, etc.).

The more details you share, the better we can get to know you!

Next week you (and each of your classmates) will introduce yourself to the class and present your TAG by explaining each point and talking about one of the items important to you for one minute.

How Might This Help Students?

- It might be helpful when students can't remember the homework assignment or forgot what was required, or if they lost a handout between class and home.
- It is helpful when students are sick at home or on vacation.
- It helps when kids just need extra reassurance.

It is important to note that lesson plans are subject to change at the teacher's discretion.

How Might This Help Parents?

- Parents can see what homework their student has each night.
- If assignments start showing up as “missing” in PowerSchool, parents and students can go back to the lesson plan page to the date when the assignment was given and determine which of the following should happen:
 - They open the link and view the assignment, realize they have it completed, and the student turns it into the late basket.
 - They open the link and view the assignments and discover they didn’t do it or can’t find it. Now, the student downloads it, prints it, completes it, and turns it in the late basket.

RESEARCH

Here, you can find several resources – including the forms needed if you are absent.

If a student is absent **ONE** day, they should check the teacher's website and/or upon their return, pick up their work from the absent work bin.

If a student is absent **TWO or more days**, parents can contact the office and request homework be sent home. Please call before 10:00am.

Typically...

Students will receive **TWO days** to make up their work **for each day they are gone**. This, however, only applies if they are absent for 1-2 days. Beyond that, special arrangements need to be made between the student and teacher.

Rules are different for pre-planned absences!

Pre-planned Absences

The screenshot shows the homepage of Andover Middle School. At the top, there is a navigation bar with links for Home, Faculty & Staff, Athletics, Activities, Resources, Parent Organization, and USD 385. The school's logo and name are prominently displayed. Below the header, there is a large banner image of a field. The main content area is divided into several sections: an AMS Campus Calendar for August 2017, a 'Home' section with weekly announcements for August 21-26 and August 28-September 2, a 'SPORT PRACTICE SCHEDULE - WEEK OF AUG. 21-25', and a '6th GRADE - OPEN HOUSE/MEET THE TEACHER - THURSDAY, AUGUST 24th - 5:30PM - 7:00PM'. A 'Quick Links' sidebar is visible on the right side of the page.

Quick Links

Form to complete before the absence

The screenshot shows the 'Pre-Planned Absence Form' on the Andover Middle School website. The form is titled 'Pre-Planned Absence Form' and includes the instruction: 'Please provide the following information to assist the AMS Office in regard to your pre-planned absence of at least 2 days. FORM MUST BE SUBMITTED TO THE OFFICE AT LEAST 1 WEEK IN ADVANCE OF ABSENCE.' The form fields include: Student Name, Grade Level (6th, 7th, 8th), Parent/Guardian Name, Phone, Dates of Planned Absence, and Reason for Absence. There is a search bar and navigation links at the top of the page.

The screenshot shows the 'VACATION POLICY' page. The title 'VACATION POLICY' is centered at the top. Below the title, there is a section for 'AMS Quick Links' with links for 'Student Links & Forms', '2017-18 Fee Schedule', 'Pay USD 385 Fees', '2017-18 School Supplies', 'Sports Physical and Concussion Forms', 'Student Handbook', 'Enrollment Guide', 'Bus Note', 'Pre-Planned Absence Form', and 'Information'. The 'Information' section includes links for 'AMS Official', 'Facebook', and 'AMS Official Twitter'. The page is dated 'Posted Date: 08/04/2016' and includes a note: 'If your student is going to be gone more than two days, the office & this website has a pre-planned vacation form (form may be found under Quick Links in the right sidebar or Resources section of the AMS website). This form must be filled out, signed by a parent, turned into the office at least a week before the time of leave and approved by Mrs. Regler. A homework sheet will be given to your student to take to their teachers one week in advance of the beginning of the absence. All homework assigned during a vacation, is due upon the students return to school.'

In order to get homework before vacation, parents complete this form and students get homework that is due upon their return.

Thanks so much!
