

DRUG AWARENESS NIGHT 2016

SRO Heath Kintzel

TOPICS

- Legal issues when parent finds drugs on teen
 - How to dispose of drugs
 - Legal searches/access
- Drug testing process
- Drugs encountered in Andover and in Andover Schools
 - Illegal or “street drugs”
 - Prescription drug issues

LEGAL ISSUES: WILL POLICE HELP?

- Caveat; we will speak in generalities, but every situation is unique and case by case.
- **Found Property**
 - Police will take and secure the drugs and file a documentation case
 - Don't put it in your car and drive it anywhere. If you are pulled over, most likely you will be charged.
- **Legal searches**
 - Parents must maintain regular access to child's room in order to gain access or consent to a search

DRUG TESTING

- Where to go?
 - [Assured Occupational Solutions](#), 314 S Vine, El Dorado, KS 316-321-3313
 - [Hot Spot Detox](#), 1539 E Central, Wichita, KS 316-264-8898

These facilities will do both urine and hair follicle tests.

*** The two drug testing facilities listed were located online via a Google search. Then they were called and asked questions.

DRUG TESTING PROCESS

- \$35.00 for a Urine Test (approximately). (5 panel test)
 - A negative test is know immediately
 - A positive is sent to the lab and verified, results in 3-5 days.
- \$100 for a Hair Follicle (approximately)
 - Negative known in 24 to 48 hours
 - Positive sent to lab for confirmation, results in 3-5 days

Andover Police Department is not responsible for the prices listed above and recommends using them only as a guide or rough estimate.

SCHOOL DRUG TEST KITS

USD 385 does not currently participate in any student testing for drugs. However, USD 385 makes drug test kits available to parents free of charge, that parents can take and use; no questions asked.

DRUGS IN ANDOVER SCHOOLS

Does the Andover Public Schools have a drug problem?

What's the definition of "problem?" (one case, 10 cases, etc)

DRUGS IN ANDOVER

- We hear about more drugs than what we catch, however, we have seized the following from students in Andover School district.
 - Alcohol
 - Marijuana
 - Prescription Drugs
- Reliable information
 - K2
 - Heroin
- On the street
 - Ecstasy/MDMA, Meth, etc.
(it's in every community today)

METH

MARIJUANA

HEROIN

DRUGS IN ANDOVER

- Prescription Drugs
 - Too many to name individually, but the two big families
 - Any of the prescription Narcotics
 - Any of the prescription Amphetamines
- Where do they come from
 - Left over prescriptions are not locked up
 - Student's prescribed meds being sold not taken
 - 30 day supply X \$25/pill = \$750 WOW, what a temptation!

DRUG CULTURE & THINGS TO WATCH FOR:

- Smells – colognes, car air fresheners, incense sticks, etc. If you teen suddenly starts using cover scent products, know why.
- I encourage you to be involved with your teen
- Ride in his/her car
- Know what perfume/colognes they wear and for what occasions
- Breath fresheners and gum in large amounts

DRUG CULTURE & THINGS TO WATCH FOR

- There is a Drug Culture
 - Rasta colors
 - Marijuana leaves
 - 4:20, 710, OIL
- Concealment clothing
 - Hats
 - Shoes
 - Sweats
 - Purse
