

Bricks & Stones

ACHS Student Recognition Foundation

BRICKS & STONES is a foundation created by a committee of teachers to fund the student recognition project. In order to finance the many photos and frames to honor students who have received top honors in various academics, sports and activities, this committee has planned to raise funds with two different projects:

PROJECT #1 – BRICKS

Engraved personalized bricks will be sold to parents, clubs and businesses to create a patio just outside the main entrance of ACHS. The bricks may be inscribed with your child's name, or they may be purchased in honor of your family, as a memorial to a dear friend or to recognize others. We will also offer a larger brick to commemorate school groups, clubs and teams. The third and largest brick will be offered to businesses that would like to show their support for ACHS. Other donations might include trees, park benches, etc., thus creating our very own Central Park.

PROJECT #2 – STONES

Limestone rocks with the school logo may be purchased to enhance your own landscape plan. You may purchase these rocks in two different sizes. Show your school spirit by displaying the black and the gold on your front porch or in your garden. Go Jags!

If you sponsor a club, sport or activity and would like to purchase a brick, please fill out the enclosed form and return it to ACHS main office. Many groups will charge \$1-3 per member to fund the introductory group brick charge of \$60.

Brick Options

INDIVIDUAL RECOGNITION

-Students, Parents

JESSICA JAGUAR
2007-2010

JESSICA JAGUAR
DRUM MAJOR
