FLU AND STOMACH VIRUS SEASON ARE HERE!

Information about flu and flu symptoms came home last week.

Please help us contain the spread of germs and illnesses.

If your child has fever, is vomiting, or has diarrhea please keep them home for 24 hours after their last symptom. Please remind your child to wash their hands several times a day especially after coughing, sneezing, or using the restroom. If your child must be out please call the office (255-6167) to report your child's symptoms. If your child goes to the doctor please send a doctor's note and if a diagnosis is made please report that to the office as well. Thanks so much for your help!!!

Please see the letter on the back of the post for more information.

The code for uploading pictures to the yearbook site is: NHCORO. The website is: [community.lifetouch.com](#). Also, the Online Order Yearbook Pay website is open NOW so orders can be taken online at [YBPAY.lifetouch.com](#). Plato's yearbook ID is 10418518.

EMERGENCY DRILLS

It's time once again to do practice drills. We practice so we will know what to do in the event of an emergency. We will have lockdown drills, a fire drill, a earthquake drill, and a tornado drill.

Bus riders also recently had bus evacuation drills. We do this in an effort to help students understand the process and procedure

SQUARE1ART

Over the next couple of weeks our students are creating an original artwork in their classroom! When they finish we will send their artwork to a company called Square1Art and they will process it and send each child a FREE set of stickers of their artwork. You will have the chance to order high quality products with your child's artwork this Spring so be on the lookout for this fun and memorable opportunity.
