### Quotes:

-A leader takes people where they want to go. A great leader takes people where they don't necessarily want to go but ought to be.

~Rosalynn Carter

-He that cannot obey cannot command. ~Benjamin Franklin

-Keep away from people who belittle your ambitions. Small people always do that, but the really great make you feel that you, too, can become great. ~Mark Twain

-Good leaders make people feel that they're at the very heart of things, not the periphery. Everyone feels that he or she makes a difference to the success of the organization. When that happens people feel centered and that gives their work meaning. ~Warren Bennis

-Great leaders are like conductors. They reach beyond the notes to reach the magic in the players.
