**A well rounded education at Plato is a priority.
Academic and social learning are the keys to success.
Every School Day Counts!**

School success starts with attendance.

Students who attend all day, every day are building positive habits that last a lifetime!

Students who attend school all day, every day are more engaged in their learning!!

Students who attend school all day, every day are more connected socially and academically!!!

Attendance is important! It is important that your child comes to school on time, every day well rested and ready to learn. Regular attendance is critical for your child to achieve his/her highest potential.

Academic and social learning takes place all day, every day at Plato. Students who arrive late, leave early, or are absent miss valuable instruction time.

A missed school day is a lost opportunity for students to learn. We can't teach our students if they aren't here. Any absence, whether excused or not, denies students the opportunity to learn in accordance with the school's instructional program, but students who miss school are sometimes further excluded from learning opportunities as a consequence of chronic absenteeism.

LOOKING AHEAD for 18-19 School Year:

Please plan vacations and out of town trips during our many breaks throughout the year. Avoid bringing your child late or picking up your child early unless you have a doctor's appointment and are able to provide documentation. We will need a note from the doctor to put on file anytime your child is late, leaves early, or is absent. Thank you for your help and cooperation.

PLEASE SEE 18-19 SCHOOL CALENDAR ON THE BACK OF THE POST.

WOW: honesty
