School Store Fundraiser

We have had an ongoing fundraiser this year called School Store. Information was sent home at the beginning of the year and emails were sent out. This has been a HUGE SUCCESS this year! Thank you!!!

PROFITS

Our school received a total of \$415.74 to use toward a variety of programs this past year.

Our teachers received a total of \$4985.00 in gift cards to buy supplies for their classrooms!!! WOW!!

We will be using this fundraising company again next year. Information will come home the week of Aug 28. Thank you so much for your continued support of our school. In this time of budget restraints it is great to know that our teachers can purchase needed class supplies with your support of gift cards through this program.

Word of the Week:

It means moderation in action, thought, or feeling.
