**Healthy and Fit Committee**

Health Education, Physical Education and physical activity, also nutrition value of meals.

1. How would you rank Middleberg's' effectiveness in meeting the national standards in regards to a fully nutritious meal?
  - **Suggestions: More variety still needed in the menu.**
2. How well do you feel that our Physical Education program is helping our students to become healthier?
  - **Responses: Good**
3. What recommendations do you have?
  - **More effort and focus on variety in meal planning**
4. Conclusion:
  - **The committee feels that students are being more active due to the various school athletic activities that are offered here at Middleberg. These activities are also being offered to the community as well.**

**Safe School**

Unsafe conditions, student harassment, intimidation and bullying at school.

- **Overall, students feel safe at school and on the school bus, bullying is not a problem.**
1. How safe do you feel at our school? **Very safe**
  2. What can we do to make the school even more safe and secure? **Look for a safer, more effective way to pick-up and drop-off students.**
  3. Areas of concern regarding school safety:
    - Student Drop-off and pick-up procedures
    - Limited access to playground area
