

A MESSAGE FROM CLARKSVILLE MIDDLE SCHOOL

School Nurse

DO YOU HAVE A CHILD THAT WILL BE IN 7TH GRADE NEXT YEAR?

Texas State Law requires all students beginning 7th grade to have a current immunization record. Prior to your child enrolling in 7th grade, a Tdap and MCV4 vaccine are required. To speed up the enrollment process in August of 2018 please make sure your child receives these immunizations now and a current record is sent to the nurse's office as soon as possible. If you should have any questions please contact the nurse's office at 903-427-3891 EXT 313
