

## 2020-2021 COVID Guidelines

### Clarksville Entry and Exit Plan For Volleyball Games

Below you will see some info that we have in place to provide the safest and cleanest setting we can while adhering to the UIL guidelines that have been set.

- All fans will enter the gym as usual through the main gym entrance. Fans will be required to fill out a pre-screener form as well as have their temperature taken upon entry to the gym. Fans will also be required to wear masks upon entry. All fans will exit through the SOUTH gym doors and NOT the main entrance.
- Opposing teams will park in the parking lot behind the school closest to the gym and enter through the back entrance. Opposing teams will exit the same way they entered. Officials will enter through the High School MAIN entrance where they will be screened as required by the UIL.
- There is a tapped off section on the visitors for the visiting and teams that aren't currently playing to sit in. There will be handicap spots available on the visitor bleacher side at the bottom of the bleachers.

We can't wait to get this season started and we are going to continue to do our best to adapt as the season goes on when needed.
