

# Food Backpack Program

Dear Parent(s)/Guardian(s):

Bismarck School District is proud to offer a Food Backpack Program for our families in financial need. This service is provided for families who are **temporarily** experiencing a difficult time providing food for their family. Several of our area churches provide food for this program. If your family doesn't need to participate, but would like to make a financial contribution to this program through one of these churches, please contact Mrs. Brown to get this information.

Mrs. Brown will have a meeting with students in the program at the beginning of the school year to discuss expectations. Food backpacks will be given out during Advisory every Friday. It is the student's responsibility to remember to come down and get their food every week and to bring their backpack.

Please fill out and return.-----

**Please check one of the following:**

- My child needs a food backpack
- My child does not need a food backpack
- Our family would like to help out financially with the Backpack Program
