Area Scholarship Information and Applications

High Island High School

Senior Class of 2019

On the next few pages you will find the scholarships that are available to graduating seniors. Please read the directions pertaining to each scholarship. Your ability to follow the directions will play an important factor in the scholarship selection process.

Unless otherwise stated, you should write a letter of application for each scholarship that you are interested in receiving. In your application letter, include the following:

1. Your name and the name of the school from which you will graduate.

2. The name of the college you plan to attend and your anticipated major.

3. The purpose of the letter (to apply for the scholarship).

4. A summary of the activities you participated in while in high school, the honors and the awards you have received while in high school, your GPA, your class rank, etc.

5. Financial limitations, if any. For example: Parents are on welfare or social security, other family members are attending college, major hospital bills, etc.

Please be sure your letter is word processed and in the proper format and signed by you. Make the salutation of the letter to the organization and not to the chairman. The chairman is named so you can mail the letter to that person.

In the event that you receive a scholarship, be sure to send a letter of thanks as soon as possible. Keep in contact with the organization. Send a copy of your grades as soon as you receive them, even if you have already received the money.

DO NOT use school letterhead, stationery, or school envelopes.

DO NOT make photocopies of the same letter to send to different places. Computer generated letters are acceptable (be sure to change out the salutation).

If you have any questions concerning your letter of application (whether it be about the format or content), please see the counselor.

Information on scholarship:

Once again we at The Galveston County Daily News are proud to award the **Leslie P. Daughtry Scholarships** to deserving college-bound graduates from our community.

Named after Leslie P. Daughtry, publisher of The Daily News from 1967 to 1987, Daughtry was a man who always believed in the values of community, literacy and education. These scholarships, we believe, are a fitting way to honor our friend and community leader. One will be awarded to each of the 14 high schools in Galveston County.

There is no doubt lives are dramatically altered through the successful pursuit of educational endeavors. Not only are minds challenged and shaped, but also opened to new areas of interests and pursuits. Advancing to college is in many ways a launching pad for many wonderful and exciting careers.

Those selected for these scholarships are special. Not that they are the top of their class or outstanding in a particular discipline, but many times they are students who've displayed a wide arena of interests. Actual selections are made with the assistance of each school's administrators. The ideal recipient will have a strong interest in academics, community service and a personal desire to grow. Additionally, it is our hope these scholarships can relieve a financial hurdle for the recipients.

Leslie P. Daughtry was a good man and our friend. We wish all the 2016 recipients the very best and hope they, too, will discover their dreams.
