

2018 Annual Notification of Nondiscrimination in Career and Technical Education Programs

The Office for Civil Rights (OCR) of the United States Department of Education requires that districts, including charter schools, provide career and technical education (CTE) programs, services, and activities in accordance with the requirements of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and Title II of the Americans with Disabilities Act of 1990.

Warren ISD offers career and technical education programs in Family and Consumer Sciences, Business Education and Technology, Agriculture and Natural Resources Education, and Culinary Sciences. Admission to these programs is based on a student's career pathway and endorsements plus personal preferences.

It is the policy of Warren ISD not to discriminate on the basis of race, color, national origin, sex, handicap, or age in its employment practices or admission into student programs as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended.

Warren ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.
