

Directions to use Charms

1. Go to www.charmsoffice.com
2. Click **Enter/Login** in the upper right hand corner of the screen.
3. Scroll down until you see the **Parents/Students/Members** and enter in the school code:
DragonBand (*be sure to capitalize the D and B and do not space between the two words.*)
4. Next you will see a screen that requires a student password. Your student's password is their school ID number which can be found on their schedule. If you do not know their ID number or their ID is not working, contact me and I will reset the password.
5. Once you have logged in, you can view paperwork under the **Handouts and Files** tab or pay fees under the **Finances** tab. As you will see, there are more tabs and options that can be used on the site. I hope to use more of the site during the school year.

Redwater High School Band

Redwater Christmas Parade

This year we have been asked to lead the first annual Redwater Christmas Parade on Tuesday, December 2nd. Students will be marching in full uniform, black socks and black marching shoes. We would recommend that they dress warmly underneath their uniforms as it will probably be pretty cold. Students will need to be seated in the band hall with instruments at 4pm. The band will need to be staged and ready to go at 5:30 and the parade will start at 6pm. Dinner will be provided for the students. More details to come in an email that will be sent out via Charms.

Winter Concert

Our winter concert is quickly approaching and we would like to remind everyone of a few important details. The concert will take place on **Tuesday, December 16th at 7pm** in the cafetorium. Students will need to be there a little early, and we will send more information about that time as it gets a little closer.

Each student plays a vital role in this performance, so it is very important that everyone is there and on time. This performance is the student's final exam for the semester and will be graded accordingly.

Dress for this concert will be black dress slacks, black long sleeve dress shirt, long black dress socks, and black dress shoes (no open toe shoes.)

Admission to the concert will be a canned food item. These items will be donated to a local food bank or organization in need to help out during the holiday season.
