

Logging in to a Chromebook

1. Turn on the Chromebook, and login with your email address. Then click next.

(_____ @students.redwaterisd.org)

2. If it is a valid email address, then enter in your password and click next.

3. Located in the bottom left corner, click on the items shown in the picture.

4. Also there are tabs that will automatically open when logged in. The tabs include your drive, gmail, calendar and Redwater Homepage.

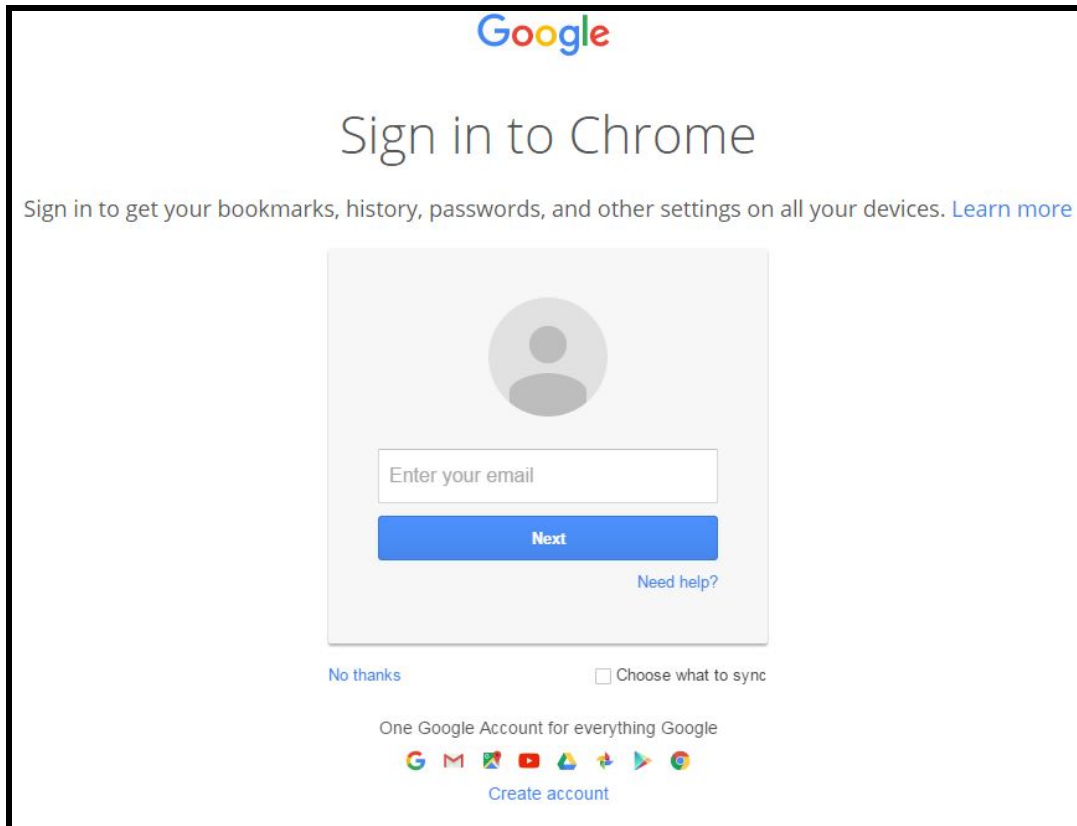

5. To find your Google Apps, click on the search. Then select All Apps.

Logging in to a Computer

1. Log in using your username (usually first initial and last name) and password.

2. Click on the Chrome icon.

The image shows the Google 'Sign in to Chrome' screen. At the top is the Google logo. Below it is the text 'Sign in to Chrome'. Underneath is a sub-header: 'Sign in to get your bookmarks, history, passwords, and other settings on all your devices. [Learn more](#)'. The main content area features a grey box with a circular profile picture placeholder, a text input field labeled 'Enter your email', a blue 'Next' button, and a 'Need help?' link. Below the input field are two options: 'No thanks' and a checkbox labeled 'Choose what to sync'. At the bottom, it says 'One Google Account for everything Google' and shows icons for various Google services (Gmail, YouTube, Drive, etc.) with a 'Create account' link.

3. Sign in to Chrome using your email address and password.
4. There are tabs that will automatically open when logged in. The tabs include your drive, gmail, calendar and Redwater Homepage.
5. To find your Google Apps, click on Apps in the upper left corner to find your drive, email and other apps.
