

GET INVOLVED!

The Redwater PTA is excited about the new school year and is looking forward to having you join us. When PTA gets involved, children benefit. When you get involved with PTA, the child who benefits most is yours. Your membership dues and extra contributions help to fund numerous PTA programs, Technology and events, (including, but not limited to: Computers and peripherals, staff appreciation, cultural arts assemblies, Reflections, social events and grade level programs) that are not available through the regular Redwater school budget. Your participation and involvement are the foundation to educational success for your child this school year.

PTA recognizes that you may have more than 1 child. Children from the same family and their classroom will get credit for every person that joins from their family. Please be sure and list each child's name, teacher's name and grade on this form. This is very important for each child to get credit. You only need to fill out 1 form with all of your children listed on it. Any child may turn the form in to their campus.
