

1st Grade Newsletter 5th 6 weeks

Math

This 6 weeks, we will learn about 2 and 3 dimensional shapes. We will also learn time to the half hour and fractions (halves and fourths).

Science:

We will learn about living and nonliving objects and the interdependence of organisms.

Social Studies:

We will learn about US and Texas symbols, flags, and pledges.

ELA

In phonics, we will learn more diphthongs, oo words, inflectional endings, and final stable syllables.

In writing, we will write procedural writings, write comments on texts, and write about topics of interest. We will share our writings.

In reading, we will continue learning about author's purpose. We will do research and learn about types of media.
