We, as parents, will support our children's learning in the following ways:

1. Establish routines to support my child's success in school:

- grooming & hygiene

2. Ensure that my child attends school on a regular basis and arrives at school on time.
3. Help my child learn self-discipline and respect.

What is Title I?

Title I is a federal grant program designed to give educational assistance to students living in areas of high poverty. The Title I program originated in 1965 when Congress passed the Elementary and Secondary Education Act, was reauthorized in 2001 with the passage of the No Child Left Behind Act and continues with the implementation of the Every Student Succeeds Act of 2015.

Title I is one of the oldest and largest federal programs supporting elementary and secondary education in existence, and over 90% of the school systems in the United States receive some sort of Title I funding.

The Title I program provides financial assistance through State educational agencies to local educational agencies and public schools with high numbers or percentages of low income children to help ensure that all children meet challenging State academic content and student academic achievement standards.
