COVID-19 Update 6.05.2020
End of School Year

Dear Granger ISD Family,

Thursday, May 29th, 2020 marked the end of a Granger ISD school year that will go down in history. A global pandemic may have forced the temporary closure of on-campus schooling, but because of the perseverance and collaboration between Granger ISD teachers, staff, parents and students, the collective school community of Granger ISD adjusted to the crisis with amazing resilience. Through the agility and tenacity of our school community, Granger ISD did not slow down during this difficult and trying time with an astounding 98% of PK-12th grade engagement during the 4th grading period! That is an incredible achievement and a testament to the "Pride in Excellence" commitment to our school motto.

As we close out the 2019-2020 school year, I want to thank our students, staff, parents and community for an incredible school year. I also want to recognize the 32 students who have finished the Granger ISD chapter of their story by earning their High School Diploma adding yet another GISD year with 100% graduation. We proudly wish our Granger Lions the brightest of futures.

We are working hard over the summer to prepare for the 2020-2021 school year. While there are still many unknowns regarding how the COVID-19 health crisis may impact our school operations next school year, rest assured that while working under the guidance of Governor Abbott, the Texas Education Agency, and the Center for Disease Control and Prevention, we will be working to operate in as normal a capacity as possible, setting the stage for our students' success as well as safety. As always, stay tuned to the Granger ISD school website for the latest updates.

GISD started its summer hours on June 1, 2020. The High School office is open Monday through Thursday, 9:00AM - 3:00PM, however, we recommend making an appointment before coming to campus. The Elementary Office will remain closed through the summer. For all school visits, please be sure to review the Granger ISD COVID-19 Summer 2020 Operation Guidelines.

I hope you take the opportunity this summer to spend quality time with your family, friends and loved ones. Thank you for the opportunity to serve you, your child and GISD.

Have a great summer!
