

STUDENT IMMUNIZATION CLINIC

Waller MS
February 21, 2019
4:00 pm - 7:30 pm

Passport Health is working with your school district to fulfill the TDAP vaccine requirement.

Additional vaccines available: HPV, Varicella, and MMR

Participation Optional!

We work directly w/ insurance providers for payment - there are NO co-pays, NO charges to the school district, and NO billing to parents.

Privately insured students: Services are covered by the preventative care portion of their insurance plan.

SoonerCare/Uninsured: Passport Health Oklahoma is proud to be a Vaccines for Children (VFC), provider. Vaccines for Children is a state program that provides FREE vaccines to qualifying children.
