Dear Parents,

This is your child’s homework folder. It will always contain all of the homework for the entire month that we are currently in. The front calendar page allows you to see what your child will be doing for homework that night. Turn in the packet to the page that is marked for the current night. Complete the reading and math assignment for the current day only.

Please don’t allow your child to complete several days in one setting. This work is very similar to what your child is currently doing in class. If he/she is struggling to know what to do with you, then that tells you that they are probably struggling at school also.

This homework folder should only take around 5 minutes a night. It is not meant to be hard. It will teach your child responsibility and provide a structured routine for completing homework. Please return the folder **EVERY Friday**. Your child will receive a punch on their homework punch card IF the work is complete and turned in on time. When they have all 5 paw prints punched on their card, they receive a prize from the treasure chest.

Please show value for this homework folder. Your child will value it also, if you do. Please don’t hesitate to call or email me if you have any questions. Thanks!

Mrs. Aguilar
