

SCHOOL IMPROVEMENT AGENDA / *MINUTES*

October 7, 2014

Facilitators: Debbie Spencer, Pam Dooley

8:00-9:30: Becky Biggs, Cindy Jones, Nicole Manley, Debbie Spencer, Cindy Wann

9:30 - 10:45: Michelle Burnett

1. Welcome / Successes

TenMarks - students use videos

Manley begins her lesson with a pre-test which helps drive what she does during the day's lesson

Biggs' students self-assess during the lesson

Wann - students automatically get journals out to begin working on.

Burnett - students have their list of the standards. This offers a chance for the students to redo assignments to show the standard was learned.

2. AIPS

Dooley is checking on the ins/outs of requirements

3. RTI:

Schedule

Documentation

Spencer was able to catch a student up on what the student missed while she was out.

4. MAPS DATA:

Reports

RIT - Stands for Rash Unit

Debbie shared:

the last page that indicated the RIT scores

the ppt of MAPS Assessment

various reports

5. Survey

STEM Survey from Debby Rogers, ASU

6. Create Agendas for November, December

7. Miscellaneous
