

Westside School District Communication Modes:

- **NIXLE:**
text messaging system for Westside text messages regarding school activities, updates, reminders and closings
- Westsideschools.org website for news and announcements
- Westside Middle School provides parents with a daily email system called Homework Buddies in which provides information to parents regarding their child's homework as well as news and announcements
- School Calendar - parents are distributed a paper copy of the school calendar at the beginning of the current school year to provide information for parent/teacher conferences, school closings, testing dates, etc. The school website provides a copy of this as well as a district calendar with detailed information for every school day activities.
- Parent Newsletter - Westside Elementary and Westside Middle School provide monthly newsletters.
