

Westside Consolidated School District
Parental Involvement Evaluation Process

Westside School District parental involvement committees which consist of certified staff and parents from each school will meet in the fall and spring semesters of the current school year to evaluate the parental involvement program. In addition to updating, revising and approving the parental involvement plans and school compacts for each school, and survey the effectiveness of programs. Once the plans and compacts are approved, they will be submitted to the district web master to be posted to the school website by October 1st of the current school year.

Westside School District Parent Center

Westside Consolidated School District will provide a parent center which will assist parents in helping their children succeed in school. The parent center will provide other support services as needed by parents throughout the school year.

The district parent center is currently located at the Middle School on Warrior Hall. The parent center is open during normal school hours but special accommodations can be arranged upon request.
