

Testing Tips for Parents

1. Make sure your child gets plenty of rest the night before the test.
2. On the morning of the test, your child needs to get up in plenty of time so he/she won't feel rushed.
3. Feed your child a good breakfast. Research shows that children do better on test if they have had a good breakfast.
4. Do as much as you can to make your child feel comfortable. Try not to say things to make him/her feel more nervous.
5. Attends school on the day of the test
6. Does not have any out-of-school appointments on the day of a test.
7. Knows that you think he/she will do well on the tests.
8. Knows you understand that the test is important.
9. Take an active role in your child's education throughout the school year. Let your child know you are interested in his/her learning by taking part in the entire process.
10. Find out all you can about the test. Ask questions of the teacher and/or counselor. The more you and your child know about the test, the better prepared your child will be.
11. When the scores are sent to you, talk to your child's teacher and/or counselor. This will help you to understand them more clearly.
12. Give your child praise even if he or she didn't do well on the test

Testing Tips for Students

1. Make sure you understand all the directions given.
2. Be sure you know what you are supposed to do before answering a question.
3. Read each question several times, carefully, before answering.
