Facilities

Student Growth

Who could put Westside out of business?

Community Input Activity (use chart paper and markers)

1. Westside Graduates

- a. What should they know?
- b. What should they be able to do?
- c. What skills do they need?

2. Westside Programs:

- a. What should we keep?
- b. What should we add?
- c. What should we delete?

3. Westside Facilities

- a. What improvements need to be made?
- b. What new facilities should be added to the campus?

4. Westside Technology

- a. What types of devices should students use in our classes?
- b. What types of programs

5. Westside Budget

- a. What should be the financial priorities of the school district?
- b. What should be cut from the school district budget?
