

Westside School District
Gifted Education Program

Nomination Form for Gifted/Talented Services

The Westside Public Schools believe that each student should be offered educational experiences which provide opportunities for the development of the student's full potential. Recognizing the potential rewards for the individual and society, the Westside Public Schools believe the abilities of the gifted student must be cultivated, nurtured, and developed. The design of our program is to develop within the student a desire for excellence and a sense of productive responsibility to self, school, community, and to our changing society.
