This Christmas our Student Council will be fundraising for children affected by Hurricane Michael in Panama City Beach, Florida. We will have a Penny War to raise money.

Starting next Monday, December 3, students can begin bringing coins to the stage in the cafeteria and put them in their grade level buckets.

Here's how it works-

- How to GAIN points - you will put pennies and dollars into YOUR GRADE LEVEL'S BUCKET

For example, if you are in 5th grade, you will put pennies and dollars into the 5th grade bucket on stage.

- How to LOSE points - you will put silver coins (nickels, dimes, quarters, etc.) into ANOTHER GRADE LEVEL'S BUCKET (very similar to how Ramen Noodles worked at Thanksgiving)

For example, if you are in 5th grade and you bring silver coins of any kind, you will put them in

either 6th or 7th grades buckets for them to lose those points.

Westside Consolidated School District E-Notes

Parents,

Westside School District offers a text message and email alert system for all students and parents. We have implemented E-Notes Notification System to provide timely communication to parents, students, and staff members regarding campus and district news, activities, or etc.

The alert system is a great way to stay up to date with events happening across the district, late buses, inclement weather, and many more informative announcements. The sign up process is a free service and can be done in just a few simple steps.
