Parent Center Information

Westside Consolidated School District will provide a parent center, which will assist parents in helping their children succeed in school. The parent center will provide other support services as needed by parents throughout the school year.

The district parent center is currently located at the Elementary School. The parent center is open during normal school hours but special accommodations can be arranged upon request.

WMS Parent & Family Engagement Program

You can view the full Parent & Family Engagement Program through the schools website (westsideschools.org). Go to the State Required Information tab and then to the School Packet link. Paper copy is available by request through the Middle School Office at (870)935-7501

Parent & Family Engagement Plan Summary

Westside Consolidated School District, Westside Elementary School, Westside Middle School, and Westside High School, in collaboration with parents, shall establish a parental involvement plan that reflects the specific academic improvement needs of the school, and that includes programs and practices that enhance parental involvement and address the specific parent involvement needs of students and their families. The Parental involvement plan can be found on the school website at www.westsideschools.org under the State Required Information tab or a paper copy can be requested through the school offices and the District Parent Center
