Re: Snow Routes

Snow routes are going to be all the main paved highways, such as 63 North, Dan Ave., Hwy 226, Hwy 18, Hwy 91, Hwy 230, 63 B Bono, these are all State Highways. County Roads will be CR 333 which is Hasbrook, and CR 324, CR 318, CR 353 and if possible all paved roads in the Westvale, Emerald Valley, and North Pointe Subdivisions. Designated stops will be where the county roads intersect with these highways. Whichever bus picks up on that particular county road will stop and pick up your students at that intersection.

This will be the designated snow routes for the rest of this school year. These routes are subject to change.

WCSD has implemented E-Notes Notification System to provide timely communication to parents regarding campus and district news, activities, inclement weather or etc. To subscribe to E-Notes, please go to our website at [www.westsideschools.org](http://www.westsideschools.org) and locate the E-Note registration section.

Thank you for your continued support of the Westside Consolidated School District.
