

February 2019

Let me begin by saying how honored I am to have been given the privilege of serving as the superintendent of schools for the Flatonia Independent School District. My family and I genuinely appreciate the warm welcome we have received from the Fisd community. We view joining Flatonia as an absolute blessing; both personally and professionally. During our transition, I have been truly amazed by the community support and pride shown toward our school system and we could not be more excited to join this great community!

In my role as superintendent, I must provide leadership, guidance and resources that support, develop and strengthen our educational system. Throughout this effort, student success must remain the top priority. Together, we must build upon past success while striving to move the district forward. As a result, our students continue to be afforded the excellent educational opportunities necessary for their future success; regardless of the career path they choose. We remain grounded in knowing that the students who walk our halls and fill our classrooms are our future. We must do whatever it takes to have them prepared to overcome life's challenges, solve future problems, and be productive citizens.

In any school organization, it is my belief that the path to success begins with an unwavering dedication to the pursuit of excellence. It is important that this dedication be shared by everyone in the school community. In the short time that I have been in the district, the Flatonia ISD Board of Trustees has demonstrated that they have a strong commitment to the students of Fisd and that they expect nothing less than excellence from our schools. This is exactly the leadership we need from our Board of Trustees. Additionally, great things are happening through our district and campus administration, faculty, staff and most importantly, our students. I have witnessed firsthand that we have many dedicated and wonderful people, at all levels, working hard for our school and community. They, too, want what is best for our students and understand that we all have a hand in our current and future success.

I firmly believe that Flatonia ISD will continue to climb and be recognized as one of the very best school districts in the state of Texas. In order to make this happen, our Fisd family will need the continued support of everyone in our school community. Throughout this journey, there will be ups and downs. Challenges will arise. It is for this reason that we must all understand the importance of maintaining strong relationships and open lines of communication between the school district, area businesses, community groups, and the individuals that comprise Flatonia ISD. At the end of the day, we are all Flatonia Bulldogs. I look forward to working with everyone as we continue to respect the rich history of Flatonia while working diligently to move our district and student achievement to even greater heights.

Again, I am honored to serve as the superintendent of Flatonia ISD and extremely excited to work with the Flatonia ISD community. As we progress through the remainder of this school year and begin preparations for the future, please know that I am always available to everyone in the Flatonia ISD community. If there is ever a concern or question that you have, please give me a call or stop by my office and I will be more than willing to visit with you and provide necessary direction so that your concerns can be addressed and the appropriate answers to your questions can be provided in a timely manner.

Please do not hesitate to give me a call at (361) 865-2941 or stop by my office. Thank you for your support of our students and our schools! Don't forget to follow us on Twitter (@FlatoniaISD) or "like" Flatonia Independent School District on Facebook!

With BULLDOG PRIDE,  
Dr. Andy Reddock  
Superintendent  
Flatonia ISD
