SCHOOL FACILITIES GUIDELINES - USE OF SCHOOL FACILITIES

It is the aim of the Flatonia I.S.D. to make school facilities available for community use. Usage must be in the public interest and for the public good. Organizations and groups using school district facilities agree to abide by the following rules:

- 1. Application.** An "Application for Use of School Facilities" is to be submitted to the Administration office a minimum of thirty (30) days prior to the date on which the facilities are to be used. A copy of the approved application is to be on file in the building prior to the scheduled activity.
- 2. Approval.** The designated administrator approves each application for the use of school facilities.
- 3. Final Approval.** The Superintendent has the authority to make the final decision on use of school facilities by any group.
- 4. Access.** Applications are approved for specific facilities and times. The responsible staff member may open school facilities only after the application has been approved. The user organization is responsible for ensuring that unauthorized portions of the facility are not entered and the premises are vacated as scheduled.
- 5. Cancellations.** All cancellations must be made through the appropriate building office at least twenty-four (24) hours prior to the scheduled usage.
- 6. Athletic Fields.** Any organized group wishing to use district athletic or playing fields must file an application in accordance with established district procedures. Any such use must be appropriate and compatible with the field and its surrounding area. Unauthorized use of district fields by organized groups constitutes trespassing and will be dealt with accordingly. Casual use of fields by members of the community on an individual basis is permitted as long as those uses do not endanger others or cause damage to fields and lawns. User groups may not mark or otherwise modify fields without written district approval.
- 7. Supervision.** A responsible staff member must be in direct supervision during any use of a district facility. If a staff member will not volunteer their time, one may be hired at a rate of \$25/hour.
- 8. Priority Use.** District or school organization activities have first preference for all district facilities. Non-school applications are superseded in any instance where facilities are needed for school activities.
- 9. Holidays.** School holidays may preclude facilities utilization.
- 10. Prejudicial Use.** It is the policy that no person may be denied admission to any public school in this district or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil service, recreational, or other program or activity because of marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability or handicap.
- 11. Cancellation by District.** It is understood and agreed by the applicant that permission may be revoked or canceled at any time with or without cause and in the event of such revocation or cancellation, there shall be no claim or right to damages or reimbursement on account of any loss, damage or expense incurred.

- 12. Decorations and Alterations.** Plans for decorating must be approved in advance by the designated administrator. Decorations that permanently alter the appearance of or cause damage to the facility are prohibited. All decorations must be removed immediately upon completion of the event.
- 13. Restoration of Facilities.** All school facilities are to be left in appropriate condition immediately following each activity. Appropriate athletic shoes will be required for all indoor athletic activities. A fee of \$50/hour per staff member required will be charged for cleanup of the facility when a group doesn't leave the facility in appropriate condition. Groups who fail to pay this fee when appropriate will be denied future use of all school facilities until the fee is paid.
- 14. Restoration of Fields.** Groups are expected to leave the field in as good or better condition as was found; bleachers, goals, and other equipment in the same position in which they were found. Applicants are required to remove, at their expense, equipment or rubbish left after use. A fee of \$25/hour will be charged for cleanup of the fields when a group doesn't leave the field in appropriate condition. Groups who fail to pay this fee when appropriate will be denied future use of all school facilities until the fee is paid.
- 15. Fees.** Groups will be charged a fee as designated by GKD (LOCAL).
- 16. Purpose.** Purpose of use must be as stated on the application; deviation will be considered a breach of contract and may result in denial of future use of school facilities.
- 17. Public Dances.** School facilities are not available for public dances.
- 18. Smoking, Drinking, Disorderly Conduct.** Smoking is not permitted in school buildings or on school grounds. No alcoholic beverages are to be brought or consumed in a school building or on school grounds. Disorderly conduct and willful destruction of property are forbidden. Violators will be prosecuted in accordance with the law.
- 19. User Organization Responsibility.** The user organization is responsible for the enforcement of the above regulations and is responsible for all participants, spectators, and affiliated personnel.
