

Notice Extending Closure of Fayette County Schools

March 31, 2020

Given the rapidly evolving situation with COVID-19, Fayetteville ISD, Flatonia ISD, La Grange ISD, Round Top-Carmine ISD, and Schulenburg ISD, will extend the suspension of normal district operations through Monday, May 4th, 2020, in accordance with Governor Greg Abbott's mandatory extension of school closures announced on Tuesday, March 31, 2020. This effort is in support of our nation's need to slow the spread of the novel coronavirus, or COVID-19.

The Centers for Disease Control and Prevention has outlined the need for all communities to implement a social distancing protocol. We want to reiterate a request to our broader community to take the following reasonable precautions to prevent the spread of the illness:

- Don't shake hands
- Wash your hands regularly
- Limit movement within the community, especially avoiding crowded places and maintaining 3 to 6 ft of distance between people (at least an arm's length)
- If you are moving around in the community, don't congregate in large groups
- For those who have traveled to areas with known COVID-19 cases – both inside and outside of the country – we ask that you self-quarantine and monitor for symptoms. Students who have traveled should plan to stay home for two weeks after arriving home. Please contact your campus to let them know, and this will be considered an excused absence.
- If you suspect you have symptoms of COVID-19, call your health care provider for medical advice.
- Keep your child at home if he/she feels ill, even if you think it is just a cold.
- Do not leave the house if you are ill, except to access medical care

This is a quickly changing situation, and we will continue to monitor information, will assess conditions throughout the closure, and will provide appropriate updates via our website, email, and available social media outlets.

Thank you for your support and cooperation as we ensure that all members of the communities within Fayette County stay safe and healthy.
