October 1, 2020

Dear Bulldog Family,

It is hard to believe, but we just finished up the first six weeks of the school year! How time flies! I could not be more proud of the great job being done by our students, faculty, and staff. They have done a tremendous job this first six weeks as we have all adjusted to our new normal. I also commend all of our parents for their continued support and understanding as we continue to work through schooling during the pandemic. As we shared early on, we will make it through all of this because we will be working together to make it happen!

As we have worked through the start of the school year, Flatonia ISD administration has kept a close eye on enrollment numbers, including both in-person and remote learners. As of Tuesday, September 29, FISD has 601 enrolled students in grades PK through 12. Specific campus enrollment numbers and modes of instruction are as follows:

ENROLLMENT

Flatonia Secondary	317
Flatonia Elementary	271
Whispering Hills	13
TOTAL	601

Flatonia Secondary In-Person	303	95.6%
Flatonia Elementary In-Person	255	94.1%
Whispering Hills In-Person	13	100%
TOTAL IN-PERSON	571	95%

Flatonia Secondary Remote	14	4.4%
Flatonia Elementary Remote	16	5.9%
Whispering Hills Remote	0	0%
TOTAL REMOTE	30	5%

As we begin the second grading period, we will continue to review these enrollment numbers and the levels of success our students are experiencing in both in-person and remote environments. It is extremely important to everyone at Flatonia ISD to provide a quality instructional program that supports student growth and success. We will use this information to help guide us as we make decisions on the best path forward for our students.

I am also happy to inform everyone that as of this update, Flatonia ISD has had zero (0) confirmed cases of COVID-19 for students or staff since the start of the school year. Although we are happy that we have not had any cases, it remains imperative that we continue to follow health and safety protocols. As we all know, a case can happen at any time; therefore, we must always be alert and use common sense as we work together to keep our students and staff safe.

Should you have questions about any of the information provided in this update, or anything else related to Flatonia ISD, please do not hesitate to contact us. I appreciate your continued support for our children and school. GO DOGS!

Thank you,

Andy Reddock, Ed.D.
Superintendent, Flatonia ISD
