Flatonia ISD SHAC - What We Do

Working together to improve the health and educational outcomes of all students and families through coordinated school health programs

8 Components of a Coordinated School Health Program

Impact of School Health

District -Wide Impact of School Health

Students who are physically and mentally healthy have greater academic success, attend more days of school, and graduate.

The consequences of not addressing student health needs include:

- Potential Dropouts
- Lower Test Scores
 - Behavior Issues
- More Trips to School Nurse
