SEPTEMBER 2019

Dr. Andy Reddock

Hello, Bulldog Family! It is hard to believe, but we are one month into the school year. I am extremely proud of the hard work being put forth by our students, faculty, and staff as we start the year. They have all been doing a tremendous job and I look forward to our continued growth throughout the school year. We hope to see you all at our Flatonia ISD Open House on September 24. We will open our doors at 4:30 PM on both the elementary and secondary campuses. We remind you to park up the hill toward the stadium as parking will be limited due to construction. We look forward to a great afternoon!

As always, if you have any questions regarding this newsletter or anything else related to Flatonia ISD, please do not hesitate to contact me by phone at (361) 865-2941 or by email at areddock@flatonia.txed.net. I would enjoy the opportunity to visit with you.

At your service,

Andy

WE ARE PROUD OF OUR STUDENTS, FACULTY, AND STAFF!

CONSTRUCTION UPDATE

We continue to move forward with Phase I of construction at both the secondary and elementary campuses. Site work has been completed on both locations, and we are now in the process of pouring the foundation of the high school wing on the secondary campus. The foundation should be finished by the end of September, weather permitting. Additionally, we are in the process of digging grade beams for the elementary library and fine arts addition. Utility and site work is also being completed at the Ag Building and the Field House. Lastly, we are in Design Development for Phase II of our building program, which includes renovation to many of our existing facilities. We look forward to bringing you future updates as we progress through the year!

Join Flatonia ISD in recognizing National Hispanic Heritage Month, September 15 – October 15. During this time we recognize the many contributions of Hispanic and Latino Americans throughout the history of our great country. At Flatonia ISD, we are proud of the many cultures that comprise our community and are proud to pay tribute to the rich traditions, complex histories, and beautiful cultures of Hispanic and Latino Americans. ¡Celebra!
