

Parent Expo, Spring 2018

Feb. 12 & 15 @ HS Auditorium

Please plan to attend and have your questions answered (and more) at the **Parent Expo, Feb. 12th and 15th between 4:00pm to 7:30pm in the High School Auditorium**. We are building on to the traditional Parent/Teacher Conferences by having an Expo. There will be **4 sessions available** to explain topics related to each year of high school. As always, you can come and go as you like to visit with teachers, but you may also want to attend some of following sessions for more specific information. The times for each night are different; please take note:

Monday, 8th Grade - 12th Grade

(Note - no "Senior Session" - that will only be on Thursday, but still welcome to visit teachers)

8th & 9th Grade (4:00pm - 4:30pm)	11th grade (4:45pm - 5:15pm)	WSU Dual Enrollment info for students taking those classes (5:30pm - 6:00pm)	10th grade (6:15pm - 6:45pm)
--------------------------------------	---------------------------------	--	---------------------------------

Thursday, 8th Grade - 12th Grade

10th Grade (4:00pm - 4:30pm)	11th grade (4:45pm - 5:15pm)	8th & 9th Grade (5:30pm - 6:00pm)	12th grade (6:00pm - 7:00pm)
---------------------------------	---------------------------------	--------------------------------------	---------------------------------

What Exactly is a "Parent Expo"?

*Ever wonder what opportunities are available to your child as a student at ACHS? Do you worry if you are doing everything you can as a parent to prepare your child for a life after high school? Well, this is your opportunity to make sure that WE (the high school partnered with parents) can work together to make sure that your child can take full advantage of all of the opportunities afforded students **simply because they attend ACHS**.

Parent Expo, Spring 2018

Feb. 12 & 15 @ HS Auditorium

Parent Expo, Spring 2018
Feb. 12 & 15 @ HS Auditorium

Other Topics/Events

*The most important “take-away” from this evening is to have an opportunity to meet with current teachers **AND** future teachers and discuss what paths your child is on now and perhaps in the future. We believe this to be a critical step in preparing students for their future.

*Technology - this is only going to get more ingrained in your son or daughter’s future; both, academically and with respect to their career(s). Our one-to-one initiative (students’ laptop devices) is partly designed to help prepare them for this. Some of you may have questions on how to access the applications and programs that we use. We will have personnel on-site that will be able to help you navigate things like PowerSchool and Google Classroom. They will be setup in the main foyer near the auditorium as well as in different spots for you to visit.

*Language Barrier? We will have staff members on-site to help translate materials and conversations.

Save the Date!
See you at the Parent Expo!!
