

August 29, 2018

Dear Parent/Guardian,

The ACE program at Florence ISD will be starting on September 4, and we would like to give your child the opportunity to participate. The program will be held Monday – Friday from 3:15 – 5:45. The first hour is devoted to tutorials and homework help, and the remainder of the time will be enrichment activities involving STEM, arts and crafts, technology, and recreational sports, to name a few. We believe your child will get the most benefit from the program by staying until 5:45, but if you need to pick up your child early please pick them up during these time slots - 4:15-4:20, 5:00-5:10 or 5:30-5:45. Our gates will be locked for security purposes at all other times. Bus transportation will be provided as well. The morning ACE program is from 7:15 – 7:45 for students who need help with homework. The registration form is attached. Please return the registration form by September 7, 2018. This is a first come first served basis as resources are limited. **All applicants who are accepted will receive an acceptance letter and the parent/student handbook.** The registration form and the parent handbook must be complete **before** students can participate in ACE. If you have any more questions please feel free to email or call me. It will be a pleasure having your child in our ACE program.

Sincerely,

Randy Fauss
